ORDER:

According to paragraph 14 of the Intensive Khadi Scheme approved in G.O.No.Press 4678 Development, dated 23.12.46 charkas can be supplied to spinners only on payment of cost. An exception has been made in respect of Harijans and other persons as to whose poverty the village Committees are able to satisfy the Centre Khadi Officer and it is provided that in such cases the price can be recovered in not more than 12 monthly instalments. The Scheme aims at making every family in the Centres equip itself with atleast one charka. It has been reported that the number of charkas distributed under the Scheme so far is very poor compared to the number of families who are without a charka and that the number of Harijans and other poor persons who have availed themselves of the concession of purchasing charka on the instalment system is also insignificant due to the fact that the procedure requiring them to apply to the Village Committees, and for the latter to satisfy the Centre Khadi Officers about the poverty of the applicants, is dilatory and cumbersome. The Government consider that charkas should be supplied on the instalment system to all bonafide applicants who are, or who intend to become, spinners under the Scheme and that the cost of the charkas should be recovered in monthly instalments not exceeding twelve.

2. The Government accordingly direct that the following procedure shall be followed in future in the matter of supply of charkas on instalment system under the Intensive Khadi Scheme.

(a) The C.K.O. or the S.C.M. who receives an application for the supply of charkas should satisfy himself as regards the bonafides of the applicant and fix the number of instalments in which the cost should be recovered with due regard to the price of the charka in question and the capacity of the applicant.

(b) The applicant should then be required to execute an undertaking in the form specified in Annexure I to this order. The C.K.O. or the S.C.M. may then issue the charka to the applicant.

registered (c) The applicant to whom a charka is issued should be ~~registered~~ *registered* a spinner of the Centre if the person is not already a spinner of the Centre and the charkas should be entered in the ledger as well as the pass book.

(d) The first instalment will fall due on the first of the month succeeding the month of issue and the subsequent instalments will similarly fall due on the first of each succeeding month.

(e) The instalments may be collected either in cash or may be adjusted from the value of the yarn delivered to the Centre by the applicant from time to time. ~~Therein~~ amounts

collected or the value of the yarn adjusted should be entered in the Spinners' Ledger as well as the pass book.

(f) The C.K.Os. should obtain from the S.C.Ms. a statement of the charkas issued by the latter every month and should post the particulars along with those relating to the issue of charkas direct from the main centre in a 'Demand, Collection and Balance' Register to be maintained by them in the form specified in Annexure II to this order. The recovery of the instalments should be watched with reference to this register and an abstract of the register showing the totals alone should be submitted to the Director of Harijan Welfare on the 10th of every month.

(g) The C.K.Os. and the S.C.Ms. should take steps to see that condition No.3 in the form of undertaking, is duly observed and, that the spinners are taught spinning where necessary and are regularly supplied with cotton so that they may have no difficulty in observing the condition.
